Dear Mr. Lilly:

As we discussed by telephone on April 23, 1984, thank you for your willingness to assist EPA in the administrative proceedings against ARRCOM, Inc., Drexler, Inc., etc. As I indicated to you, EPA is seeking to have a civil penalty of over \$70,000.00 assessed against the owners and operators of the facility at Rathdrum, Idaho for violations of the Resource, Conservation and Recovery Act, otherwise known as RCRA. Pursuant to these proceedings, I intend to offer into evidence copies of the hazardous waste manifests showing transactions between United Paint Manufacturing and the ARRCOM facility at Rathdrum, Idaho. I am enclosing copies of the manifest, you previously provided to EPA. As I indicated to you, it is my hope that I will be able to obtain a sworn affidavit from you in lieu of requesting your attendance at any future hearing which I anticipate to be held in Seattle. In any event, I assure you that I will give you as much lead time as possible in advance of any requested activity.

Thank you for your cooperation, and if you have any questions feel free to contact me at (206) 442-4232.

Sincerely,

Barbara J. Lither
Assistant Regional Counsel
